

Cancer & Oncotherapy

Nov 08 – 10, 2021, Rome, Italy

Theme : Killer Disease spreading fast – come let's address
& Manage it effectively – Cancer & Oncotherapy Event.

ABOUT CANCER & ONCOTHERAPY

Pride Conferences takes great pride in organising & inviting all the global delegates, to participate and contribute effectively to all the conferences organised by us. These conferences would comprise of Eminent stake holders keynote presentations, elaborative scientific research detailing, years of research works with the roadmap, Q & A, exhibitions of research papers & more. Key Stake holders include researchers, practitioners, students, professors, business communities and lot more. We create an ecosystem that enables the research works to be presented to right audience to take the Innovations ahead for a better society.

This International Conference on Cancer and Oncotherapy would discuss on the advancements on the most challenging disease on Hand – Cancer. Cancer has likely been around as long as humans have, but over the years, our ability to test for the disease and treat it has greatly improved. Exciting advances are paving the way to better treatments and possibly more cures. Treatment advances across the spectrum of cancers have continued at a rapid pace. Progress in treatment was also seen in systemic chemotherapy, targeted chemotherapy, surgery, & radiotherapy. Researchers have more to share in addressing the most critical medical challenge on hand. Come let's discuss, debate & find out ways in managing Cancer effectively.
